Dear [REDACTED]

I hope you are well. I don't believe we've met -- I joined the Pursuit team in August as Chief Program Officer.

I'm reaching out because I'd like to find some time to meet with you, preferably in person over coffee or a meal, to get know each other a bit and also to share some important updates with you about Pursuit.

I'm happy to find a time and place that works for you and your schedule. Would you let me know what are some good options for you over the next week or two? I'd be grateful for your time.

Best,

Rey
