Board of Directors of Pursuit Transformation Company, Inc.

We have audited the accompanying financial statements of Pursuit Transformation Company, Inc., which comprise the statements of financial position as of December 31, 2018 and 2017, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Notes to Financial Statements December 31, 2018 and 2017

### 1. Organization and Tax Status

Pursuit Transformation Company, Inc. (the "Organization"), formerly known as Coalition for Queens, Inc., is a not-for-profit organization and was incorporated in the State of New York on July 28, 2011. The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and accordingly, no provision for federal, state or local income taxes has been recorded. The Organization primarily receives its support from contributions and grants from individuals, corporations, and governmental entities, and from program service revenue.

The Organization's mission is to foster the Queens, NY tech ecosystem to increase economic opportunity and transform a diverse community into a leading hub for innovation and entrepreneurship. The Organization seeks to accomplish its mission by working with local elected officials and stakeholders to create macro conditions that support tech entrepreneurs and companies by allowing them to showcase their innovations, build networks, and create new products.

### 2. Summary of Significant Accounting Policies

### Basis of Presentation and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("US GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period, Accordingly, actual results could differ from those estimates.

### Change in Accounting Principle

On January 1, 2018, the Organization adopted new guidance regarding the Presentation of Financial Statements for Not-for-Profit Entities. This guidance requires the Organization to collapse the three-category (unrestricted, temporarily restricted, and permanently restricted) classification of net assets into two categories: with donor restrictions and without donor restrictions. In addition, the new guidance requires the Organization to make certain expanded disclosures relating to (1) the liquidity of financial assets, and (2) expenses by both their natural and functional classification in one location in the financial statements.

Notes to Financial Statements December 31, 2018 and 2017

### 2. Summary of Significant Accounting Policies (continued)

### Net Asset Presentation

The financial statements of the Organization report amounts separately by class of net assets based on the presence or absence of donor restrictions with the following net asset classifications:

### **Net Assets Without Donor Restrictions**

Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization, its programs or supporting activities. These net assets may be used at the discretion of the Organization's management and Board of Directors.

### **Net Assets With Donor Restrictions**

Net assets subject to stipulations imposed by donors and grantors that limit their use either through purpose or time restrictions. Some donor restrictions are temporary in nature, which will be met by actions of the Organization or by passage of time. These amounts are restricted primarily for education.

Other donor restrictions are perpetual in nature, whereby the donor has stipulated the Organization maintains the assets in perpetuity, but permits the Organization to use or expend part or all of the income derived from the donated assets for either specified or unspecified purposes. The principal amounts of these assets are permanently restricted in nature as an endowment fund.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as support without donor restriction.

### Cash and Cash Equivalents

Cash and cash equivalents consist of all highly liquid instruments purchased with maturities of three months or less.

Notes to Financial Statements December 31, 2018 and 2017

### 2. Summary of Significant Accounting Policies (continued)

### **Deferred Rent**

Deferred rent represents the excess of rent expense on a straight-line basis over the annual rent payments required under the lease.

### Revenue Recognition

Contributions are recorded when received or when an unconditional promise to give is made. Conditional promises to give are recorded when substantially all conditions have been met. All donor-restricted contributions are recorded as revenue with donor restrictions. Permanent in nature restricted donations are restricted by donors to be maintained in perpetuity, with only the income from such net assets available for operations. Temporary in nature donor restrictions expire by either the passage of time or fulfillment of the purpose restriction. When a restriction expires, temporarily in nature restricted contributions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. Contributions with donor restrictions received and released in the same year are treated as without donor restrictions. Contributions of non-cash assets are recorded at their fair value at the time the contribution is received. Program service fees are recorded upon completion of the contract terms.

The Organization records contributions and program service fees on an accrual basis. Conditional contributions are recognized as revenue when the conditions on which they depend have been substantially met. In addition, the Organization reports cash, promises to give, contributed services, and other gifts at their fair value when they are received. Program service fees are recognized as services are performed.

### Government Grants

Federal, state and other grant awards received for specific purposes are recognized as support and revenue to the extent related expenses are incurred in compliance with the specific grant terms. Unexpended funds are reported as net assets with donor restriction.

### **Donated Services**

Contributions of donated services that create or enhance non-financial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair value when received.

### Property and Equipment

Property and equipment acquired are recorded at cost, and are depreciated using the straight-line method over estimated useful lives of the related asset. Property and equipment with a cost of \$1,000 or higher are capitalized.

Notes to Financial Statements December 31, 2018 and 2017

### 2. Summary of Significant Accounting Policies (continued)

### Functional Allocation of Expenses

The Organization reports its expenses for providing programs and other activities and certain costs for supporting services by their functional classification on a summarized basis in the statements of activities. Program expenses are the activities that result in services being provided to the public pursuant to the Organization's mission. Supporting services are classified as management and administrative functions, such as oversight and business management, but exclude direct conduct of program services and fundraising activities. Fundraising activities include developing and maintaining relationships with major donors, foundations and potential donors. Such allocations are determined by management on a time and effort methodology.

### **Advertising Costs**

Advertising costs are expensed when incurred. Advertising costs for the years ended December 31, 2018 and 2017 were \$126,161 and \$47,676.

### Accounting for Uncertainty in Income Taxes

The Organization recognizes the effect of income tax positions only if those positions are more likely than not of being—sustained. Management has determined that the Organization had no uncertain tax positions that would require financial statement recognition or disclosure. The Organization is no longer subject to examinations by the applicable taxing jurisdictions for tax years prior to 2015.

### Subsequent Events

Management has evaluated subsequent events for disclosure and/or recognition through \_\_\_\_\_\_, 2019 the date the financial statements were available to be issued.

### 3. Concentrations of Credit Risk

Financial instruments that potentially subject the Organization to significant concentrations of credit risk consist principally of cash and cash equivalents and receivables. At times cash balances held at financial institutions may be in excess of federally insured limits. The Organization has not experienced any losses on its cash deposits. The Organization routinely assesses the financial strength of its cash and cash equivalents. The Organization does not have a material concentration of credit risk with respect to receivables.

Notes to Financial Statements December 31, 2018 and 2017

### 4. Liquidity and Availability

Financial assets available for general expenditure within one year of December 31, 2018 are as follows:

Total financial assets at year end	
Cash and cash equivalents	\$ 1,443,901
Contributions and grants receivable, net	2,121,242
Total Financial Assets	3,565,143
Less amounts not available to be used within one year:

be met in less than one year	2,147,500
	(539,022)
Financial Assets Available to Meet General Expenditures	
Over the Next Twelve Months	\$ 3,026,121

The Organization's goal is to generally maintain 90-180 days of budgeted operating expenses in the form of cash, marketable securities or other liquid investments. The Organization actively monitors receivables, philanthropy pipeline and other revenue sources to maintain this level of liquidity.

### 5. Contributions and Grants Receivable

Contributions and grants receivable, which have been recorded net of a present value discount of 3% as of December 31, are as follows:

v	2018	2017
Due in one year or less	\$2,121,242	\$ 657,628
